

## Hello Maine East Athletic Booster Members,

The success of Athletic Boosters could not be possible without the help of our dedicated volunteers. At the end of this school year, some Board members will be leaving Maine East as their student athletes will be graduating. We cannot continue Athletic Boosters without an Athletic Boosters Board. So, this is an urgent call to action! At the present time, it would appear that the Athletic Boosters are in danger of folding within the next year unless we are able to identify parents who are willing to step in and help. In order to successfully continue Athletic Boosters and our fundraising efforts, we will need at least 5 volunteers who can commit to serving on the 2023-2024 Board and support running our concessions stands.

The Executive Committee of the Board of Directors consists of four elected officers (President, Vice-President, Secretary, and Treasurer) and three elected members. If you are interested in learning more about the duties of the Board, please email or join us at our next meeting, which will be held on Wednesday, April 12th in the Cafe at 7:00pm.

To give you an idea of the impact Athletic Boosters has made over the last four years, we have raised and donated an impressive \$70,000 to our athletic programs, even during the pandemic when most activities were severely limited. A summary of these donations can be found in the attachment. Athletic Boosters raises funds through spirit wear sales, corporate sponsorships, and general donations, however most of the funds are generated from concession and vending sales. If you can give your time, please consider joining in this rewarding opportunity. It is a great way to meet other families, support our student athletes, and Maine East Athletics.

ROLE	Description
